

Today's New Mexico News

CATTLE BUSINESS BEGINS MOVING IN PANHANDLE

TO DEVELOP POWER POSSIBILITIES OF BIG DAM

Amarillo Reports Many Sales During Present Week With Prospects of Busy Times Ahead.

Amarillo, Texas, May 27.—Cattle business in the Panhandle has started moving with the warm weather and the lifted quarantine. F. S. Franklin was on the South Plains last week and reports several cattle deals. Other deals have been made recently, and within the past few days approximately 4,000 cattle known to Amarillo cattlemen have changed hands.

The largest deal reported is the one made by J. M. Shelton when he purchased 2,800 steers from A. H. Connelley of Post City. The deal was made for immediate delivery, and the steers will be placed on Mr. Shelton's ranch near here. In this, as in the other deals, the price is confidential, but all cattle are selling at a good figure this year.

The second deal in size was the transfer from M. L. Lumsden to White & Swearingin at Wilson, Lynn county, of 2,000 steers, 2 years old. These cattle go to the Spur ranch in Dickens county.

W. H. Shrover of Miltonvale, Kan., bought 350 steers 3 years old from W. K. Dickinson of Lubbock. These are to be shipped to the Miltonvale ranch immediately.

Mr. Dickinson also sold to M. Hargrove of Canadian 50 steers. All of the Dickinson stock were good quality.

Marion Long of Gail sold to Edgar Wilson of Amarillo 200 steer yearlings for immediate delivery. In the opinion of Amarillo cattlemen, cattle movements from this time on will be heavy. The cattle have wintered well and are in such condition that they are bringing good prices.

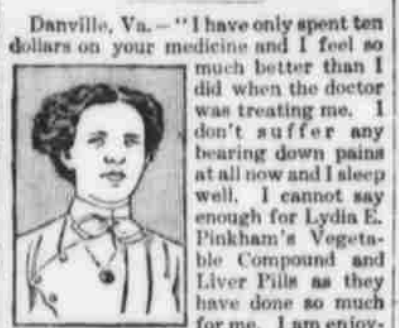

LAS VEGAS MAKING ELABORATE PLANS FOR COWBOYS

Commercial Club Pushing Project Expected to Draw Big Crowd on First Days of July.

East Las Vegas, N. M., May 28.—Plans for the cowboys' reunion to be held here July 1, 2 and 3 are progressing rapidly and it begins to look as if the event would be one of the big gatherings in the history of this part of the state. Cattlemen of all central and northern New Mexico are showing great interest and the attendance from the range country will be large. Cowboys themselves from some of the nearby ranches are actively participating with the Commercial club in the arrangements. The club will have a 35-page souvenir book for the occasion which will carry the program of sports and amusements, as well as the story of Las Vegas, finely illustrated.

WHAT \$10 DID FOR THIS WOMAN

The Price She Paid for Lydia E. Pinkham's Vegetable Compound Which Brought Good Health.

Danville, Va.—"I have only spent ten dollars on your medicine and I feel so much better than I did when the doctor was treating me. I don't suffer any bearing down pains at all now and I sleep well. I cannot say enough for Lydia E. Pinkham's Vegetable Compound and Liver Pills as they have done so much for me. I am enjoying good health now and owe it all to your remedies. I take pleasure in telling my friends and neighbors about them."

—Mrs. MARY HALEY, 501 Colquhoun Street, Danville, Va.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Las Cruces and El Paso Water Users to Co-Operate In Securing Greatest Efficiency from Water Power.

Las Cruces, N. M., May 28.—Development of the power possibilities of the Elephant Butte dam on the basis of greatest efficiency has been entrusted to a joint committee of the water users associations of this city and of El Paso, of which Felix Martinez is the head. The committee has been chosen as a permanent body to carry on investigations and plans and to continue in charge of this feature of the big project until the full extent of its power development possibilities has been realized. Joint committees also have been named for the entertainment of the congressional committee which is to visit the project early next month.

DEMURRERS IN STATE'S BOND SUIT OVERRULED

Santa Fe, N. M., May 28.—Judge Abbott in the district court here has overruled the demurrer of the Southwestern Surety Insurance company of Dennison, Texas, to the petition of the state to collect on the \$75,000 bond of Morgan O. Lewellyn, as treasurer of the State Agricultural college. Argument on the demurrer was heard last week. Twenty days are given the company to file further pleading.

JUDGE RICHARDSON SAYS WE HAVE WORST ROADS

Has Tried 'Em All and Section of Scenic Highway Between Here and Isleta Is Roughest of the Lot.

"I have been over most of the important roads in New Mexico recently," said Judge Richardson, A. Richardson of Roswell today, "and I can say without qualification of any kind that the worst road I have traveled over in that section of the New Mexico scenic highway in the Imperial county of Bernillo, between the city of Albuquerque and Isleta."

Judge Richardson, who is spending several days in Albuquerque, made the trip to Isleta and back this morning with State Engineer James A. French who was on an inspection trip. "It is rough and badly cut by irrigation ditches," said Judge Richardson in speaking of the road, "and shows plainly the lack of proper care. I noticed this especially by contrast with the Valencia county road over which we traveled for quite a distance and which is not only in fine shape but evidently is being kept in good repair."

CONGRESSMEN TO ARRIVE HERE JUNE 3

Chairman Fitzgerald and Associates Investigating Reclamation Projects to Stop on Way to Elephant Butte.

Chairman John J. Fitzgerald of the finance committee of the house of representatives, Congressman Mondell, Shirley of Kentucky, Gillette of Tennessee and a number of others, the special committee of the lower house to investigate reclamation service projects, will arrive in Albuquerque the evening of June 2d and will remain here for two or three hours, and possibly for longer. They are on the way to Elephant Butte to inspect the Rio Grande project. The party will be met at Lamy by Governor McBurney and State Engineer French, who will accompany them to Albuquerque and who may go with them to the dam.

The Commercial club, it is expected, will arrange for the entertainment of the congressmen during their stay in this city.

UNJUST REPROOF. Mr. Jangle (irritably): Apparently you make no use whatever of the household hints I give you from day to day.

Mrs. Jangle: Wrong as usual, James! Why, the last batch I sent to the Efficient House Monthly netted me three dollars and fifty cents!

There is a unique spot in New York City, it is a ticket exchange booth at the Polo Grounds and it bears the inscription: "NO MONEY TAKEN HERE." It is understood to be the only place of its kind in New York.

DEMOCRATIC LEADERS OF STATE STRONG FOR SELLERS PLAN TO FINANCE COMING CAMPAIGN

Means Now Being Considered by Party Organization for Placing Albuquerque Man in Official Party Position Whence He Can Carry Through Undertaking to Secure 10,000 Subscribers at \$2 Each.

Chairman J. H. Paxton and members of the Democratic state committee now are considering means by which Col. D. K. B. Sellers of Albuquerque may be placed in an official party position so that he may carry out his small subscription plan for financing the party organization against the necessary expenses of the campaign of 1916.

Two letters have been sent to prominent Democrats throughout the state by Colonel Sellers urging the importance of financing the campaign now so that when the real campaign opens the party may be in a position to select the right men for various party nominations, regardless of their ability to contribute to the campaign fund, and solely upon a basis of their fitness for the various positions.

He has pointed out that his plan to seek \$2 each from ten thousand Democrats in New Mexico will furnish the party organization the funds it needs for legitimate campaign expenses, and at the same time will have a powerful psychological influence in bringing into the active working ranks ten thousand men who otherwise might be indifferent. The investment of two dollars each in real money, Colonel Sellers believes, will furnish the psychological motif which will produce the reaction of vigorous individual party activity.

Almost without exception Democrats to whom the colonel's letters have been addressed have given hearty approval to the plan and several of the leaders have united in the suggestion to Chairman Paxton that Colonel Sellers be placed in an official position on the committee, by appointment, which will vest him with the party's authority to proceed.

Not only do the statements from individual Democrats show approval of the Sellers plan, but they indicate a full realization of the immediate and urgent need for systematic party organization work. Colonel Sellers has received a literal hail of letters in response to his request that Democrats pass judgment on his \$2 subscription plan. Some of the interesting statements from a few of these letters follow:

FELIX MARTINEZ: "I am very much in favor of Mr. Sellers' plan and believe he should be placed in a party position which will enable him to carry it out. I believe the sooner this matter is taken up the better it will be for the Democratic party in the future. There seems to be a general interest throughout the state for party organization, and in politics the time to strike is when the iron is hot."

M. M. CRAIG, state committeeman, Texas: "As one of the state committeemen I heartily endorse your suggestion and will do all I can to further it."

RALPH G. ROBERTSON, secretary Democratic committee of Torrance county: "This plan will work."

W. M. ATKINSON, Roswell: "I think the plan suggested is an excellent one. I don't believe I could think of a better plan myself. I will do it."

MRS. NUANES WINS FIGHT TO REGAIN CONTROL OF GIRL

Mrs. Eufrosina Nuanes of Trinidad, Colo., has won her fight to regain possession of her 15 year old daughter, Florinda, whose grandmother, Mrs. Victoria Sanchez of Martinez, adopted her after she refused to return to her mother.

Judge Reynolds yesterday signed a writ ordering Mrs. Sanchez to surrender the girl to her mother. Deputy Sheriff A. C. Hurtless served the writ, and turned the girl over to her mother.

MOTORCYCLE CLUB WILL MAKE RUN TO SANTA FE

Big Battery of Machines Expected to Undertake Tourney to the State Capital on Decoration Day.

At one of the most enthusiastic meetings ever held by the local motorcycle club it was decided, last night, to hold a scheduled club-run to Santa Fe and return on Monday, May 31. The riders will leave Albuquerque five minutes apart, beginning at 8 a. m.

The route selected is the regular motor road. There will be checking stations at Bernalillo, Domingo, top of La Bajada hill and at the De Vargas hotel in Santa Fe. The rate of travel has been set at 20 to 25 miles. Any rider arriving at any checking station too soon or too late will have a certain number of points deducted from his score of 1,000 points.

The return from Santa Fe will start at 120 p. m., the method of leaving being the same as at the start, with the same checking stations. According to schedule the first rider will finish at 4 o'clock.

There will be no entrance fee of any kind. This club-run will be open to all riders.

SPEED MANIACS TO HAVE THEIR DAY ON MONDAY

Every Race Carded for Traction Park Carnival Promises Hair-Raising Thrills; Time Trials a Feature.

Promise of some of the most thrilling racing that has ever been staged before an Albuquerque crowd is contained in the program for the speed carnival at Traction park Monday afternoon.

At 2:30 o'clock the first of the elimination races preceding the hair-raising ten-mile derby will be held. Three cars will run in each of the two eliminations, to cut the entry down to four. The width of the track precludes more than four speed maniacs in action at the same time.

The 10-mile race will start at 3 o'clock. The drivers will risk their necks for a \$500 purse.

The drivers eliminated from the derby will compete in a consolation race for a purse.

There will be time trials from a flying start to establish a mile record for New Mexico on a half-mile track.

Bill Metzinger, who has never been defeated in a motorcycle race, will whiz against Kenzie Embury, of Denver, who is said to be able to take Bill's measure and take it right.

It will be a hot battle, with no regard for prudence.

EXTRAORDINARY SHOW FOR ST. ANTHONY'S

For the benefit of St. Anthony's orphanage two headline shows will be given at the Crystal theater Friday, June 4. Matinee and night, three of the finest reels that the World Film corporation has produced will be shown and between reels there will be fine musical numbers.

St. Anthony's is to receive all the proceeds.

SPORT NEWS

TUSCON SERIES IS FIGURED TO OPEN WEDNESDAY

No Definite Announcement, But Tuesday Connections Deemed Too Close; All-Season Support Seems Assured.

STANDING OF TEAMS.	Won.	Lost.	Pct.
El Paso	2	1	.666
Albuquerque	2	1	.666
Phoenix	1	2	.333
Tucson	1	2	.333

YESTERDAY'S RESULTS.
Albuquerque, 5; Phoenix, 4 (12 innings);
Tucson, 6; El Paso, 2.

WHERE THEY PLAY TODAY.
El Paso at Albuquerque.
Albuquerque at Phoenix.
El Paso at Tucson.

Officials of the baseball club yesterday that while they had no official announcement of the fact, they were fairly certain that the Dukes would begin their home and next Wednesday against Tucson. While it is hardly possible for the team to make the run here from Phoenix in time to play Tuesday afternoon, it is not deemed advisable to call the fans out to the park and then run the risk of a train delay that will necessitate either a long wait or possible postponement, and it isn't believed that Manager Reed would make any arrangement for a Tuesday game.

Committees have been visiting business men and other supporters of the team today in the interest of financial support that will insure the maintenance of the club throughout the season. Col. D. K. B. Sellers said that it was pretty plain that the business men were determined to keep the nine going until far time. The committee has received such encouragement that it is confident the Dukes will remain intact for a series at the big show at Traction park.

The Dukes pounded their way to the head of the league again yesterday in Phoenix. Timely hitting gave them the victory in a twelve-inning contest.

Phoenix Republican.

Trying to be cheerful last night, Manager Jim Brown of the Tucson club called up the Republican and predicted better financial going for the four-club circuit. He said the deadwood had been heaved overboard, and that from now on every "ub" will have to hustle only for its own sake. Jim Brown is a hard-headed cuss with a lot of baseball savvy, and while he was bitterly disappointed that the league could not go through intact, he showed some of that indomitable optimism that has made him (and all of the baseball managers who possessed it), successful.

Circuit Snips

Gossip and Dope from Papers in League Cities

Tucson Citizen.

Fuller and Galt have been released by President Brown of the Old Pueblo team and Clifton of Bakerfield, Cal., will take Galt's place as pitcher. Clifton formerly played in the North-western league. Wilfred Bullinger, Tucson's hard hitter and fast fielder, will take Fuller's place for the El Paso series.

Phoenix Gazette.

Seven of the twelve members of the Phoenix baseball team were among topnotchers in the Coast league and Union association last year, according to records compiled by the well known booklet, "The Official American League Baseball Guide for 1915."

Two of the local pitchers, McCreary and Toner, were in the Union association. McCreary played with Butte and Toner with Boise and Salt Lake. During the season McCreary pitched 217 innings, the greatest number pitched by any Union association twirler in 1915. He won 14 games and lost 16, struck out 129 and gave 69 bases on balls. His percentage for the season was .532.

Toner pitched 195 innings, won 12 games and lost 10, struck out 124 and gave 64 bases on balls. His season percentage was .551.

Tucson Star.

President Brown stated yesterday that the games would be run much faster and that a first effort will be made to cut out all wrangling and rowdiness.
